* 2) How to register for a submitter ID

Here's what you need to do:

- 1. If you don't have one, create an ECAS account
- 2. Download the registration form 📆 (143 KB)
- 3. Read the registration form and the registration guide 💬 available in all EU languages
- 4. Fill in the form
- 5. Submit the form (follow the instructions on the form).

NOTE: Fill in the form in **as much detail as possible** (including the optional fields) and attach any official documents (e.g. company registration/incorporation certificate, utility bill, tax return).

Once we receive your completed form, we will start the process of assigning your submitter ID.

This can take several days, especially during busy periods, so please be patient.

Before we issue your submitter ID, we may need to ask you for some extra information. We also reserve the right to **revoke a submitter ID** if necessary.
